

ABBNEY PYNFORD

STATEMENT OF ENVIRONMENTAL POLICY

The Abbey Pynford group of companies comprising; Abbey Pynford Foundation Solutions Ltd, Abbey Pynford Geo Structures Ltd and Abbey Pynford Services Ltd are committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We will operate in compliance with all relevant environmental legislation and we will strive to use pollution prevention and environmental best practices in all we do.

Our Policy, therefore, is to:

- remain compliant with all relevant applicable environmental legislations.
- integrate the consideration of environmental concerns and impacts into our decision making and activities,
- minimise our waste and then reuse or recycle as much of it as is possible.
- minimise energy and water use within our buildings and processes in order to conserve supplies and minimise the consumption of natural resources.
- as far as it is reasonably possible, purchase products and services that do the least damage to the environment.
- train, educate and inform our employees about environmental issues that may affect their work,
- promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner,
- communicate our environmental commitment to clients, customers and the public and encourage them to support it,
- where required by legislation or where significant health, safety or environmental hazards exist, develop and maintain appropriate emergency and spill response programmes,

REVIEW

Abbey Pynford is committed to ongoing monitoring and review processes of its Environmental Management System (iaw ISO14001:2015) so that continual improvement in the management system can be achieved and our environmental obligations will never be compromised for other company objectives.

Objectives are set based upon these commitments and our performance against these objectives is monitored and reviewed at our management review meetings where targets are set and actions for improvements decided.

This policy will be reviewed annually and assessed; if no changes are required, the policy will remain valid. The Business Management System is subject to both internal and external annual audits.
